BASE

Cut 1

*Cut out each piece, then transfer to foam.
Flip the pattern pieces after tracing the edge details,
and trace again.
Glue together darts.
Hand or heat form into shape desired.
Glue Center bar centered over middle dart seams,
aligning top and bottom edges to base.
Glue the Top Edge details, butting ends to Center Bar.
Glue Bottom and Top layer edges in order.
Seal and Paint as desired.*

ENJOY!
